Pineapple

Pineapple features a stitch pattern reminiscent of a pineapple on the front and back panels.
It is worked seamlessly from the top down with a unique construction.
After completing the panels, pick up and knit stitches to work the yokes toward the sleeves.
Then, work the body downward by picking up and knitting stitches from the panels and yokes, joining at the underarms to finish in the round.
Finally, pick up and knit stitches around the armholes to work the sleeves in the round.
